MAK

Das MAK ist das zweitälteste Museum für angewandte Kunst weltweit.

Gegründet 1863 als k. k. Österreichisches Museum für Kunst und Industrie – mit dem Ziel, als Mustersammlung sowie als Aus- und Weiterbildungsstätte zu dienen – steht es für die fruchtbare Verbindung von Vergangenheit und Zukunft, von angewandter und bildender Kunst. Unsere Sammlung reicht vom Mittelalter bis zur Gegenwart und spannt mit herausragenden Beispielen künstlerischen Schaffens den Bogen von angewandter Kunst, Design, Architektur und Mode bis hin zur zeitgenössischen bildenden und digitalen Kunst.

Wir glauben an die Kraft der Gestaltung.

Das **MAK** stellt seine Kernaufgaben – Sammeln, Forschen und Vermitteln – in den Kontext einer zukunftsorientierten und nachhaltigen Entwicklung unserer Gesellschaft und Umwelt.

Wir stehen für Diversität, Inklusion und Nachhaltigkeit.

Die Vielfalt unserer Themen und Vermittlungsformate zielt auf einen gesellschaftsrelevanten und lebendigen Dialog mit einem breiten und diversen Publikum ab, das wir willkommen heißen. Wir fördern eine mit dem eigenen Alltag verknüpfte Auseinandersetzung, mit dem Ziel, dass jeder Besuch und jedes Angebot im MAK als Bereicherung, Inspiration und Orientierungshilfe empfunden wird.

The MAK is the second oldest museum of applied arts in the world.

Founded in 1863 as the Imperial and Royal Austrian Museum of Art and Industry - with the goal of serving as a collection of masterpieces and as a center for education and training - it represents the fruitful connection between past and future, between applied and fine art. Our collection ranges from the Middle Ages to the present and, with outstanding examples of artistic creation, spans the spectrum from applied art, design, architecture and fashion to contemporary fine and digital art.

We believe in the power of design.

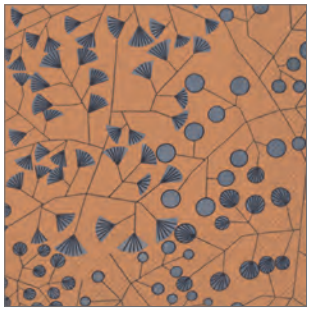

The MAK places its core tasks - collecting, researching, and communicating - in the context of a future-oriented and sustainable development of our society and environment.

We stand for diversity, inclusion, and sustainability.

The diversity of our topics and educational formats aims to foster a socially relevant and lively dialogue with a broad and diverse audience, whom we welcome. We encourage engagement that is connected to one's own everyday life, with the goal that every visit and every offering at the MAK is perceived as enriching, inspiring, and providing guidance.

„I live in Northern Ireland, by the sea, with my pets and my surroundings to inspire me. I'm so lucky to have a job where I can combine the things I've always loved - animals, nature, art and craft."

Ich lebe in Nordirland, am Meer, mit meinen Haustieren und in einer Umgebung, die mich inspiriert. Ich bin so glücklich, einen Job zu haben, bei dem ich die Dinge so kombinieren kann, die ich schon immer geliebt habe - Tiere, Natur, Kunst und Handwerk."

Emma Bridgewater

Wir bei Emma Bridgewater gestalten gerne Dinge, die jeden Alltag ein bisschen besonderer machen – Dinge, die schön anzusehen sind, aber die Sie auch einfach gerne benutzen, wie eine hübsche Tasse, die Sie bereits am Morgen, bei Ihrem ersten Tee aufheitert oder ein Geschirrtuch mit einer neckischen Botschaft, die Sie bei jedem Gebrauch unweigerlich zum Lächeln bringt.

Mit jedem kreierten Produkt, vom Geschirr bis hin zu den schönen Dingen, die Ihr Haus zu einem Zuhause machen, feiern wir die einfachen Momente der Schönheit im Alltag. Jedes Design ist inspiriert von dem, was wir an der Welt um uns herum lieben, von Menschen und Orten bis hin zu Flora und Fauna, von der Wärme des Zuhauses bis hin zur (oft kühlen!) britischen Natur. Wir glauben, dass die meistgeschätzten Dinge, die Geschichten unseres Lebens widerspiegeln: diese haben die Kraft, jeden Tag zu verschönern und unsere Herzen und Häuser mit Freudenmomenten zu füllen.

At Emma Bridgewater, we like to make things that make everyday life a little bit nicer – things that are beautiful to look at but also a pleasure to use, like a lovely mug that cheers you up when you have your first cup of tea in the morning, or a tea towel with a playful message that makes you smile when you use it.

With every object we create, from pottery for your table to the lovely things that make your house feel like a home, we celebrate the simple moments of beauty in the everyday. Each design is inspired by what we love in the world around us, from people and places to flora and fauna, from the warmth of the home to the (often chilly!) Great British outdoors. We believe the things we treasure most reflect the stories of our lives: they have the power to make every day lovely and fill our hearts and homes with spots of joy.

Von Hand gemacht

Jede Kordel entsteht durch das Verdrehen und Aufwickeln zweier feiner Schnüre, die anschließend zu Papiersträngen verarbeitet werden.

Die Körbe selbst werden in sorgfältiger **Handarbeit** mit Hilfe eines Drahtgestells geflochten – so wird jedes Stück zu einem echten **Unikat**.

Made by Hand

Each cord is created by twisting and winding two fine threads, which are then processed into paper strands.

*The baskets themselves are carefully **handwoven** using a wire frame – making each piece truly **one of a kind**.*

100% Papier, durchgefärbt, LFGB lebensmittelecht (Lebensmittel- und Futtermittel Gesetzbuch), nicht waschbar
100% paper, dyed throughout, LFGB food-safe (German Food and Feed Code), not washable
