„I live in Northern Ireland, by the sea, with my pets and my surroundings to inspire me. I'm so lucky to have a job where I can combine the things I've always loved - animals, nature, art and craft.“

Ich lebe in Nordirland, am Meer, mit meinen Haustieren und in einer Umgebung, die mich inspiriert. Ich bin so glücklich, einen Job zu haben, bei dem ich die Dinge so kombinieren kann, die ich schon immer geliebt habe - Tiere, Natur, Kunst und Handwerk.“

MAK

Das MAK ist das zweitälteste Museum für angewandte Kunst weltweit.

Gegründet 1863 als k. k. Österreichisches Museum für Kunst und Industrie – mit dem Ziel, als Mustersammlung sowie als Aus- und Weiterbildungsstätte zu dienen – steht es für die fruchtbare Verbindung von Vergangenheit und Zukunft, von angewandter und bildender Kunst. Unsere Sammlung reicht vom Mittelalter bis zur Gegenwart und spannt mit herausragenden Beispielen künstlerischen Schaffens den Bogen von angewandter Kunst, Design, Architektur und Mode bis hin zur zeitgenössischen bildenden und digitalen Kunst.

Wir glauben an die Kraft der Gestaltung.

Das MAK stellt seine Kernaufgaben – Sammeln, Forschen und Vermitteln – in den Kontext einer zukunftsorientierten und nachhaltigen Entwicklung unserer Gesellschaft und Umwelt.

Wir stehen für Diversität, Inklusion und Nachhaltigkeit.

Die Vielfalt unserer Themen und Vermittlungsformate zielt auf einen gesellschaftsrelevanten und lebendigen Dialog mit einem breiten und diversen Publikum ab, das wir willkommen heißen. Wir fördern eine mit dem eigenen Alltag verknüpfte Auseinandersetzung, mit dem Ziel, dass jeder Besuch und jedes Angebot im MAK als Bereicherung, Inspiration und Orientierungshilfe empfunden wird.

The MAK is the second oldest museum of applied arts in the world.

Founded in 1863 as the Imperial and Royal Austrian Museum of Art and Industry - with the goal of serving as a collection of masterpieces and as a center for education and training - it represents the fruitful connection between past and future, between applied and fine art. Our collection ranges from the Middle Ages to the present and, with outstanding examples of artistic creation, spans the spectrum from applied art, design, architecture and fashion to contemporary fine and digital art.

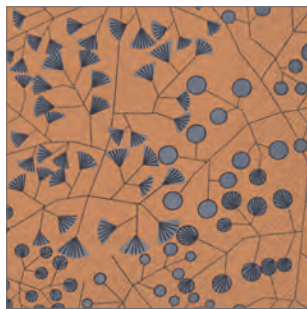

We believe in the power of design.

The MAK places its core tasks - collecting, researching, and communicating - in the context of a future-oriented and sustainable development of our society and environment.

We stand for diversity, inclusion, and sustainability.

The diversity of our topics and educational formats aims to foster a socially relevant and lively dialogue with a broad and diverse audience, whom we welcome. We encourage engagement that is connected to one's own everyday life, with the goal that every visit and every offering at the MAK is perceived as enriching, inspiring, and providing guidance.

Von Hand gemacht

Jede Kordel entsteht durch das Verdrehen und Aufwickeln zweier feiner Schnüre, die anschließend zu Papiersträngen verarbeitet werden.

Die Körbe selbst werden in sorgfältiger **Handarbeit** mit Hilfe eines Drahtgestells geflochten – so wird jedes Stück zu einem echten **Unikat**.

Made by Hand

Each cord is created by twisting and winding two fine threads, which are then processed into paper strands.

The baskets themselves are carefully **handwoven** using a wire frame – making each piece truly **one of a kind**.

100% Papier, durchgefärbt, LFGB lebensmittelecht (Lebensmittel- und Futtermittel Gesetzbuch), nicht waschbar
100% paper, dyed throughout, LFGB food-safe (German Food and Feed Code), not washable
